### **HEARING OF CITIZENS**

Joan Carlson, resident, advised she has been contacted by the Bergen County Board of Elections that they are looking for poll workers. She asked if this can be put up on the website.

Andrew Scheideler, resident, inquired if there is a link on the website to the Ambulance Corps. since he knows a few people that may be interested in joining.

Mr. Scheideler asked about the Overpeck Island Program. Commissioner Gerken advised the islands on Overpeck Avenue will be reduced by 2 feet on both sides.

Mr. Scheideler asked if the renovations of Veterans Park will include improving the drainage canal against Rte. 95. Commissioner Portorreal responded the canal will be addressed.

Mr. Scheideler asked if the Village is or is intending to house any of the illegal immigrants. Commissioner MacNeill responded no.

Mr. Scheideler asked for clarification on the PILOT program and if the developer would be entitled to tax relief for 30 years. Commissioner MacNeill stated a PILOT will be given to the developer – no one would develop the land without one. The Village will receive tax payments, at a lesser amount, but they will increase over time.

Mr. Scheideler raised concerns over the NJ Transit Bus Garage. To his knowledge, electric vehicles will be a part of that facility. If a vehicle catches fire, it takes approximately 30-40 thousand gallons of water to extinguish it. Electric vehicle fires are uncommon but can be catastrophic. The creek can be used as a water source, therefore, perhaps a ramp for the Fire Department should be installed.

Mr. Scheideler asked if the Board of Commissioners have been in communication with the Board of Education about the possible impact of student population with the development in Little Ferry and potential development in Ridgefield Park. Commissioner MacNeill stated yes regarding Ridgefield Park but not Little Ferry. The Board of Education is developing a 5–10-year study.

Adeeb Pasha, resident, asked the Board of Commissioners for permission to conduct the Ramadan ceremony in front of the Municipal Building. The ceremony would be similar to last year's and prefers to have it on March 15. Permission was granted.

Nancy Dietrich, Library Trustee, asked about the appointment of the new trustee. Mayor Anlian stated the appointment is on the agenda for approval tonight.
