

HOW TO USE THE NEW CALENDAR

Don't be confused by the colors.

The town is still split by Mt. Vernon St. North – South.

Locate where you live using the map and determine what color you are.
Match that color to the monthly calendar and this will tell you what to
put out on what dates.

(H) BLUE-HEIGHTS

(W) PINK-WESTVIEW

(M) MID-TOWN GREEN

(D) DOWNTOWN

Anything written in black is the entire town.

The calendar will be updated monthly.

Thumb through our webpage as there will be a lot of educational information and events that may be happening in our town that has to do with the DPW.

We will be adding park permit forms, event forms, field permit forms and other items shortly. Please stay tuned.

We will also be adding a comment area for any resident to voice any concerns, problems, or ideas they may have to help us help you. Let's keep things off social media and let's work together.

Thank you for your patience as our webpage is a work in progress.
